CONDITIONS FOR THE PROVISION OF BGS MATERIALS

The following Materials:

BGS PRODUCT DETAILS

Supplied to you by the British Geological Survey (BGS), a component body of the Natural Environment Research Council (the Council), are subject to the following conditions:

1. The ownership and copyright of the Materials is retained by Natural Environment Research Council (NERC)
2. The Materials are supplied on a non-exclusive basis, for your own internal evaluation purposes until **DATE** and may not be used by your institution for any other purpose, nor traded, sold or in any other way supplied or made available to any third party. Any other use of the Materials will be subject to prior agreement being reached, in writing, with BGS.
3. The fee associated with the supply of the Materials for the purpose detailed above is **FEE**.
4. The Materials are provided "as-is" on the understanding that they have been created using data capture standards and methodologies considered appropriate at the time of their creation. The Materials may not all have not been subjected to current BGS standards of scrutiny and approval.
5. Neither the Council nor its employees accept any liability in respect of loss, damage, injury or any other occurrence arising from the provision or use of the Materials, nor for reliance on any results arising out of use of the Materials.
6. The Materials will be deleted from all of your institution's computer systems by **DATE**. Should your organisation wish to continue to access and use the Materials after that date, it is your responsibility to ensure that separate arrangements are agreed, in writing, prior to **DATE**, with regard to your institution's ongoing use of the Materials.

UNDERTAKING

The undersigned undertakes to observe the conditions of provision of the Materials supplied by BGS as detailed above
