

Aynak Information Package

Part X Acknowledgments

The Aynak Information Package was produced by the British Geological Survey on behalf of the Afghanistan Geological Survey, Ministry of Mines and Industries, Islamic Republic of Afghanistan. Many staff in these two organisations participated in the work but the following made a particularly large contribution to its preparation.

British Geological Survey

Dr Stan Coats (Principal Economic Geologist)
Dr Peter Dunkley (Project Leader)
Dr Peter Kovac (Russian translator and Structural Geologist)
Prof. Igor Rojkovic (Russian translator and Economic Geologist)
Mr Robert McIntosh (Data Manager)
Mr Antony Benham (Economic Geologist)
Ms Fiona McEvoy (Economic Geologist)
Dr Gill Norton (Vulcan Modeller)
Dr Steve Dumbleton (Vulcan Modeller)
Dr David Greenbaum (Project Manager)

Afghanistan Geological Survey

Mr Abdul Wasay (former President AGS)
Mr Azizullah
Mr Amiri Gulbaba
Mr Mohammed Halim
Mr M. Mir Ahmed
Mr Najiburahman
Mr Mohammed Omar
Mr Amityar Mansour

The Honourable Minister of Mines and Industries Mir Sediq and Deputy Minister Adel are thanked for their cooperation and assistance to the project. Professor Abdul Rahman also gave valuable advice and support to the BGS and AGS.

Finally, proper and full acknowledgment must be made to the many Russian geologists, who worked on the Aynak area and made this compilation and re-interpretation possible.

The project was funded by the United Kingdom Department for International Development.
