Sample material from the following wells may be relocated to Keyworth during the month indicated in the file name.

Other wells not on this list may be “Fast-Tracked” to allow visitors planning to view material currently at Keyworth to only visit one store.

If you intend to visit BGS to view sample material in the future please contact us as soon as possible to allow your visit to be scheduled and ensure material is available for your inspection or to allow it to be “Fast-Tracked”.
