

Agreement between the Copperbelt University and the British Geological Survey

An agreement was signed in August 2019 between the British Geological Survey and the Copperbelt University in Zambia. The Memorandum of Understanding (MoU) was completed following a visit to the UK by Prof Kakoma Maseka from Copperbelt University.

The collaboration will focus on Copperbelt University's World Bank funded [African Centre of Excellence in Sustainable Mining](#). BGS will participate through staff exchanges, PhD co-supervision, provision of training and development of teaching modules for postgraduates through to 2024.
